## IMMIGRATION

<b>Work permit</b>	Foreign nationals (except for those having the permanent residence certificate) require the work permit for working in Ukraine and temporary residence certificate if they intend to stay in Ukraine for more than 90 days within 180-days period. The work permit may be granted for maximum 1 (one) year and may be extended after its expiry for the same period. Also to be employed in Ukraine the foreign nationals shall obtain Ukrainian tax ID numbers.
<b>Visa</b>	The EU and US national (and the nationals of some other countries having a visa-free regime with Ukraine) do not require a visa to enter Ukraine, unless they intend to stay for more than 90 days within 180-days period. The citizens of other countries may require obtaining a visa before their arrival to Ukraine. Visas are granted by the Ukrainian consulates in their respective country of residency and/or nationality. The EU and US nationals are required to obtain the visa of type D, if they wish to apply for the temporary residence permit in Ukraine.
<b>Residency permits / registration certificate</b>	The foreign nationals may obtain a temporary residence certificate for the term of the work permit. For obtaining the residence certificate the foreigner needs to have a registered address in Ukraine.
<b>Driving license</b>	The driving licenses (international driving licenses or corresponding to the International Convention on Road Traffic 1968) issued in the foreign countries are valid in Ukraine. The foreign nationals may also obtain the Ukrainian driving license according to the procedure provided by the Ukrainian laws.
<b>STOCK OPTION PLAN</b>	There are no special provisions regarding the taxation of the Stock Option Plans in Ukraine. The tax treatment depends upon the conditions of the Stock Option Plan.
